Terrace Trading is a small, family owned and proudly Tasmanian business serving the construction industry. We have small and large customers around the state and arrange freight as well as doing on-site deliveries and selling from our warehouse/shopfront in Derwent Park, Hobart. We work with our customers to select the most appropriate fastening or waterproofing solution or glazing product for a particular situation. By providing the correct product the first time, we help generate the best project outcomes for the trade professionals, handymen or DIYers who seek our advice.
